

CONNAISSANCE

Third International Undergraduate Medical Students Conference

JIPMER, Puducherry, India

12th – 14th April 2019

JIPMER will proudly host the third edition of Connaissance, the largest undergraduate medical conference in the country. Slated to take place between April 12th and 14th, Connaissance offers a widespread array of workshops, clinical case presentations, quiz, debate and much more, conducted by some of the foremost experts in the medical profession. Connaissance has been a massive success before and it continues to grow exponentially with each passing year.

This year about 1500 delegates are attending the conference and JIPMER is offering a whopping 21 workshops in a wide array of fascinating topics in various fields of medicine. The symposia, which has been one of the highlights of Connaissance past, focuses on topics pertinent to holistic medical education and features speakers like Dr. T.S. Ravikumar, Dr. Gitanjali Batmanabane, Dr D.K. Srinivas, Dr. Farhat Mantoo, Dr Deepak Agrawal to name a few. All events are carefully curated to inspire medical students to learn and expand their medical knowledge.

Consistently ranked amongst the top medical colleges in India, JIPMER fosters an atmosphere supercharged with the spirit of learning and academic development, which certainly is reflected during Connaissance!
