

# Laurels to the postgraduates from JIPMER Biochemistry Department at ACBICON-2018

1. **Dr. Sonal**, Junior Resident, Department of Biochemistry, JIPMER won the **ACBI Organizing Committee Best Poster Award** for the work entitled “Association of urinary VDBP and NGAL with steroid responsiveness in idiopathic nephrotic syndrome of childhood” at 45<sup>th</sup> National Conference of Association of Clinical Biochemists of India (ACBICON 2018) from 24<sup>th</sup> to 27<sup>th</sup> October, 2018 at Goa. The authors of this work were Sonal, Amit Choudhary, Mohanraj P. S, Sriram Krishnamurthy, Medha Rajappa. This work was carried out in the Department of Biochemistry, JIPMER, under the guidance of Dr. Medha Rajappa, Additional Professor of Biochemistry and Dr. Sriram Krishnamurthy, Additional Professor of Pediatrics, JIPMER.
2. **Dr. Viveka M**, Junior Resident, Department of Biochemistry, JIPMER won the **ACBI Young Scientist Partial Bursary Award** for the work entitled “Inflammation diminished striatin-eNOS expression and decreased nitric oxide bioavailability in the placenta of pregnant women with preeclampsia” in ACBICON 2018, Goa at 45<sup>th</sup> National Conference of Association of Clinical Biochemists of India (ACBICON 2018) from 24<sup>th</sup> to 27<sup>th</sup> October, 2018 at Goa. The authors of this work were Viveka M, Latha C, Anjana C, Sundhar M, Balasubramaniyan V. This work was carried out in the Department of Biochemistry, JIPMER, under the guidance of Dr. Balasubramaniyan V, Associate Professor of Biochemistry and Dr. Latha Chaturvedula, Professor of OBG, JIPMER.
3. **Dr. Sojit Tomo**, Junior Resident, Department of Biochemistry, JIPMER won the **PS Murthy-UCMS Award for Best Paper in Infectious Diseases** for the work entitled “Dynamic modulation of FCYR2A receptors expression on platelets in dengue” in ACBICON 2018, Goa at 45<sup>th</sup> National Conference of Association of Clinical Biochemists of India (ACBICON 2018) from 24<sup>th</sup> to 27<sup>th</sup> October, 2018 at Goa. The authors of this work were Sojit Tomo, Sindhujadevi Mohan, Mariya Samadanam Daisy, Balakrishna Pillai Agieshkumar, Tamilarasu Kadhiravan, Ramachandran Rameshkumar, Rajendir an Soundravally. This work was carried out in the Department of Biochemistry, JIPMER, under the guidance of Dr. R. Soundravally, Additional Professor & Head of Biochemistry, Dr. Tamilarasu Kadhiravan, Additional Professor of Medicine, JIPMER and Dr. Ramachandran Rameshkumar, Associate Professor of Pediatrics, JIPMER.

Congratulations to the awardees! May you keep the JIPMER flag flying high!
