OFFICE OF MEDICAL SUPERINTENDENT, JIPMER

CIRCULAR

HICC, JIPMER has formulated the Disinfection policy, JIPMER 2018. It is instructed to the officer in-charges, nursing in-charges of all hospital areas of JIPMER to adopt and implement the policy in their areas. HICC JIPMER will be taking education sessions to train the SMC staff and DRL. The officer in-charges and nursing in-charges are requested to contact HICC, JIPMER for arrangement of the classes. This Disinfection policy, JIPMER 2018 is available at JIPMER website. The checklist of cleaning and disinfection should be implemented. The locations will have to maintain the registers/files of all the checklists monthly basis. The Nursing Superintendent must oversee the maintenance of the registers/files. HICC officer will give surprise visits to monitor the same. All high risk and moderate risk locations must maintain the spill kit and should do the spillage management according to the policy. Every location must maintain the MSDS (material safety data sheet) of all the chemicals and disinfectants used in the hospital. Any changes or suggestions in the policy is welcome and will be considered in the subsequent edition of the policy.
