CIRCULAR

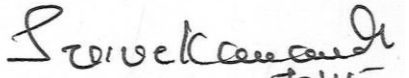

Sub: Conduct of Postgraduate Orientation Programme on Quality of care, Patient safety and Work place safety, Evidence Informed Medicine and Ethics & Professionalism in patient care and Research-2015 for the First Year Super Specialty (D.M./M.Ch.) Students - Reg.

The Postgraduate Orientation Programme - 2015 on quality of care, Patient safety and Work place safety. Evidence Informed Medicine and Ethics & Professionalism in patient care and Research for the First Year Super Specialty (D.M./M.Ch.) Students admitted during the January 2015 Session, is being organized by the Department of Medical Education on the afternoon of **09.2.2015, 10.2.2015, 11.2.2015 and 12.2.2015 (only in the Afternoon)** in the **NTTC Hall - 1, Department of Medical Education, IV Floor, Academic Centre** of this Institute and the Micro-training session for the same in the afternoon of **13.2.2015** in **SSB Seminar Hall**. The programme details are given in the **enclosed Annexure**.

The Sessions on Research Methodology are arranged to enable the Super Specialty Students to participate actively in Protocol designing and preparation of their Dissertation.

All the Heads of Departments are requested to circulate this Circular among the First year Super Specialty (D.M./M.Ch.) Students and permit them to attend the Programme.

In the interest of the programme and learning it is suggested that these students may be exempted from night duties on these days to enable them report for the sessions on time.
