CME ON SURVEILLANCE OF VACCINE PREVENTABLE DISEASES

Dear Faculty and Postgraduates, Greetings from the Department of Preventive and Social Medicine. It gives us immense pleasure to invite you all for the one day CME on Surveillance of Vaccine Preventable Diseases to be held on 24/06/2019 at JIPMER, Puducherry.

As we know some of the VPDs are re-emerging as Public health problems like Diphtheria, Measles and Rubella, this one day CME will help us to understand the Epidemiology of these diseases in India and the Union Territory of Puducherry. SMO from WHO Puducherry office and faculty from JIPMER will deliberate on the Surveillance of the VPDs and update on vaccine preventable disease.

And we also proposed to have **PG paper presentation on vaccine preventable disease** in the afternoon. Those PGs who are interested can send their abstract on or before 21/06/2019 in full presentation to jipmer.hss@gmail.com. Award will be given to the Best paper.

Workshop is jointly organized in collaboration with WHO, Puducherry chapter and IPHA, Puducherry chapter. Registration fees of Rs.100 will be collected.

I request the HOD from PSM and Paediatrics to encourage the Postgraduates to participate in this CME and get benefitted.

**ORGANISING SECRETARY**
Dr. Venkatachalam J
Associate prof of PSM

**ORGANISING CHAIRPERSON**
