Sub: Telemedicine – Video Conferencing CGR Session between JIPMER and SGPGI, Lucknow on 11th May 2019 at 8:00 to 9:00 AM - Reg.

This is to inform you that there will be Video Conferencing CGR Session will be held.

Date/Time : 11/05/2019 (Saturday) at 8:00 to 9:00 AM

Topic : ‘Endovascular Management of Failing Arterio venous Fistulain ESRD patients - Our Experience’

Summary : Chronic kidney disease (CKD) is a worldwide public health problem and is associated with high morbidity and mortality. In developing countries such as India, the management of end stage renal disease (ESRD) is largely guided by economic considerations; fewer than 10% of all patients receive RRT in the form of Renal Transplant. Dialysis in the form of peritoneal or Hemodialysis (HD) remains the main renal replacement for remaining patient’s in India. Out of these two hemodialys is considered superior. For hemodialysis, patient needs to have some vascular access either in the form of A-V fistulas, chronic venous catheter or temporary venous catheter. AVF is the preferred access for patients who require regular HD, and are considered life line for these patients , however they are associated with frequent complications most common being thrombosis and stenosis. Recently percutaneous Trans luminal angioplasty has emerge as a treatment of choice for these failing AVFâ€™s, and Nephro-interventional Radiology has emerged as a sub-speciality of vascular interventional Radiology. In this CGR we will be discussing our Experience related with treating these Failing AVFâ€™s and their complications.

Between : SGPGIMS, Lucknow – KEM, Mumbai - SRMC, Chennai - IGMC Shimla, AIMS Kochi, CMC, Vellore - Hindalco Hospital, Renukoot. UP – JIPMER, Puducherry.

Venue : Telemedicine Centre, Dept. of Plastic Surgery, 4th Floor, SS Block

Contact : Mr. Mohamed Ishaq, Department of Plastic Surgery, JIPMER (M-9751590265/9600836277)

Kindly inform Faculty and Residents to attend.

Thanking you,

Yours Sincerely,

Prof Dr Ravi Kumar Chittoria
Head of IT Wing & Telemedicine
