CIRCULAR

It is informed to the students (UG & PG) of all the courses of this Institution that the Mark Statements will be prepared by the Examination Wing within two weeks (approximately) from the date of publication of result of each Semester/Year and will be sent to the Academic Section.

It is observed that the students are collecting their Mark Statements altogether only after completion of their Course along with Provisional Certificate. There are a few instances where students are requesting for gender correction, initial correction, surname correction, etc. In that case, Mark Statements of all the Semesters, Consolidated Mark Statement, and Provisional Certificate of a particular student need to be corrected which will not be entertained henceforth. It is the sole responsibility of the student to collect the First Semester / First Year Mark Statement immediately after publication of the results and to meticulously verify the correctness of particulars such as name, surname, initial(s), gender, registration number, year of admission, etc.

Therefore, the students are advised to collect their First Semester / First Year Mark Statements promptly from the Academic Section and immediately submit a requisition letter to the Examination Wing for rectification of mistakes, if any.
