

JIPMER – Academic courses

JIPMER was declared as an Institution of National Importance (INI) by Act of Parliament in 2008. It has consistently ranked highly in NIRF rankings and was ranked as 8th among medical teaching institutions in the NIRF Rankings for 2021. It is also ranked high in other similar surveys, both national and international.

The Institute offers several more than 100 courses in various healthcare fields including in medicine and medical specialties/subspecialties, nursing and allied health science fields. All the courses are professional and full time in nature with integrated theory and practical teaching, emphasis on skill development, and multidisciplinary.

PROFESSIONAL COURSES

MEDICAL:

- **MBBS:** 5.5-year course (Puducherry campus = 182 seats; Karaikal campus = 61 seats): Admissions through NEET UG entrance examination (since 2020-21 academic year)
- **MD/MS** 3-year courses in 24 specialties (seats = 250). Admissions are held twice a year for 125 seats each, through Institution of National Importance Combined Entrance Test (INI-CET).
