Overview:

The Medical Education Unit at JIPMER Karaikal conducted an enlightening workshop on April 13, 2024, centered around the introduction to Team-Based Learning for faculty and senior residents. Around 25 participants from various disciplines, attended the workshop which aimed to acquaint participants with TBL principles and methodologies, enriching their pedagogical practices.

Workshop Highlights:

- Dr. Divyashanthi CM and Dr. Niraimathi M initiated the workshop with an insightful overview and introduction to TBL, setting the stage for an engaging learning journey.
- Dr. Arun Kumar K provided a briefing on the topic for the TBL activity, followed by an interactive session.
- Participants actively engaged in a Micro-TBL session led by Dr Niraimathi M, immersing themselves in a collaborative problem-solving approach that showcased the essence of TBL.
- A thought-provoking debriefing & discussion session, steered by Dr. Balamurugan M and Dr. Niraimathi M, allowed participants to reflect on TBL techniques and explore their potential applications in teaching.
- A participant from each group presented their peer assessment and evaluation, fostering a culture of shared learning and accountability.

Concluding Remarks by Respected Dean:

The workshop culminated with insightful remarks from Dr Kusa Kumar Shaha, esteemed Dean of JIPMER Karaikal, underscoring the pivotal role of innovative teaching methodologies in medical education. The Dean encouraged faculty and senior residents to embrace TBL to elevate student learning outcomes and nurture a collaborative and critical-thinking culture.

Vote of Thanks:

The program concluded with a heartfelt vote of thanks delivered by Dr. Divyashanthi CM, Officer-In-Charge of MEU, JIPMER Karaikal, acknowledging the collective efforts that contributed to the success of the workshop.
