Presents

Workshop on "ABCs of Electrocardiography" Become ECG expert in a day

07TH
MAR
2020

Registration
Fee:-
Rs. 500/-

Dear Delegates,

ECG is a time tested tool. Despite great advances in technology, it still remains a great diagnostic modality. With an expanding burden of ACS, basic ECG interpretation is essential for every doctor, generalist as well as the specialist. Now we have a great opportunity to become ECG expert in one day.

Topics

- Normal ECG
- ECG in Emergencies
- ECG in ACS
- Arrhythmia Analysis

Target Audience: MBBS Students, Interns and Graduates

Maximum: 60 participants

10mm/mV 25mm/s AC OFF, 0.5-35Hz 04/09/2019, 13:13:50 IE 12A V1 V5 CardiPro1 18
