

JSS Guest Lecture

“Fanconi Anaemia in the last 27 years - Our Experience from REFAIN (Registry for Fanconi Anaemia in INdia)”

Dr. Sheila Mohan is Paediatrician and Clinical Geneticist at Apollo Speciality Hospital, Chennai. She is a committee member of REFAIN (Registry for Fanconi Anaemia in India).

Fanconi anaemia is the most common inherited form of aplastic anaemia. The speaker will enlighten us about this interesting disease with her valuable experience.

Venue: SSB Auditorium, 3rd floor, Superspeciality Block, JIPMER

Date: 26.02.2019

Time: 3:30 PM

Department of Paediatrics,
JIPMER

Dr. Sheila Mohan

CURRICULUM VITAE

NAME	DR.SHEILA MOHAN
DATE OF BIRTH	28.8.1949
M.B.,B.S	1973 Madras Medical College, Chennai
D.C.H	1976 Madras Medical College, Chennai
PhD	2001 Dr. M.G.R. Medical University, Chennai

Been working with Fanconi Anemia children for the past 27 years.

Publications and Presentations:

“Body proportions in Fanconi anaemia heterozygotes” *The Indian journal of Pediatrics*.2000; 67(11): 797-801.

“Novel Mutations and Polymorphisms in the Fanconi Anemia group C Gene”. *Hum Mut* 1996; 8: 140-148.

“Heterogeneous spectrum of mutations in the Fanconi anaemia group A gene”. *Eur J Hum Genet* 1999; 7: 52-59.

“Identification of the Fanconi anemia complementation group I gene, FANCI”. *Cell Oncol*. 2007;29(3):211-8

“Lowered expression levels of a tumor suppressor gene - Caveolin-1 within dysregulated gene networks of Fanconi anemia” *Gene* Volume 527, Issue 2, 25 September 2013, Pages 521-528

“Identification of novel target genes involved in Indian Fanconi anemia patients using microarray”. *Gene* Volume 531, Issue 2, 1 December 2013, Pages 444-450

AWARDS

Received the “Best Clinical Poster Award” from the International Fanconi Anaemia Symposium held in Bethesda, Maryland in Oct 2006 – “A Report from the Registry for Fanconi Anaemia in India”

Received a “Discovery Award” (a group award) at the International Fanconi Anaemia Symposium held in Chicago in 2007, for the discovery of the FANCI gene

Received the 1st prize for oral presentation at the X National Paediatric Haematology Oncology Conference held in Christian Medical College, Vellore held in Nov 2006 - "Fanconi Anaemia in India"

Received the 1st prize for oral presentation at the National Paediatric Haematology Oncology Conference held in Bangalore in 2018 - Twenty-seven year follow-up of Fanconi Anemia from REFAIN (Registry for Fanconi Anemia in India)-Finite disappointment and infinite hope
