Sir,

At the outset a heartiest congratulation for forming the JIPMER RDA office for the year 2018-19 with an unprecedented involvement of residents in the election process.

In this regard as you take over the office of JRDA, I will take pride in handing you over the following works that are to be done:

Works done by JRDA 2017-18:

1. JRDA night on 31.07.2017
2. Requesting the administration to procure permission from Home Ministry for "No violence against Doctors" posters to be pasted in all OPDs and wards.
3. Getting approval of foreign observer ship for academic SRs as a part of training program.
4. Requesting finance section (unofficial) to look into the matter of LRA being granted to SRs and JRs.
5. Distributing food to cancer patients in RCC on 25.03.2018.

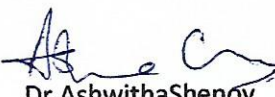

Hand-over of pending work:

1. To procure JRDA registration certificate and PAN number.
2. To know the status of the "No violence against Doctors" posters from the administration.
3. To know the status of LRA being applicable for SRs and JRs.
4. To allow non-academic SRs for foreign observer ship program as a part of training program.

I wish you and your team of office bearers all the very best for a smooth running of residents' affairs for the up-coming year.

Thank you

Dr. Harsh Durgia
