Details of further evaluation

- Written test (60 multiple choice questions) and/or interview will be conducted on **16.10.2026 at 8:30am** (reporting time) at **Exam hall-1, Fourth floor, JIPMER ACADEMIC CENTER (near Women and Children's Hospital)**
- Based on the written test, candidates will be shortlisted for an interview which will be held at 1 45pm in Dept of Psychiatry.
- Candidates who have applied for multiple posts (PTS-III [Research assistant/Data Manager] and PRS-I) and found eligible will have to attend written test for all posts, separately.

Written test syllabus: *The written test will cover participant screening methodologies and eligibility verification criteria; the informed consent process and ethical frameworks for patient communication; basic principles of safety and efficacy outcome assessments in clinical trials; standard protocols for blinded administration of study drugs; patient scheduling, tracking, and retention techniques; fundamentals of data entry into paper CRFs and electronic CRFs/REDCap; and essential study log maintenance*

Interview areas: *The interview will evaluate practical execution of blinded baseline and follow-up clinical assessments; strict adherence to blinding integrity during day-to-day participant interaction; empathy, language proficiency, and communication skills in English and Tamil for obtaining informed consent; handling participant compliance and appointment tracking; and accuracy in resolving real-time data capturing issues on the field*

Special Instructions: Please report on time for verification and test. **Latecomers may not be permitted to attend the written test and will not be allowed any extra time for the test**. No cell phones allowed during exam. **To bring all original certificates of educational qualifications and experience for verification.**
