Launch of MYLOFT mobile application in JIPMER Digital Library

Central Library JIPMER, Puducherry is happy to inform all the Students and Faculty who are eligible registered beneficiaries of Remotexs platform about the launch of MYLOFT mobile application program.

This mobile application platform provides all the digital content in Library, JIPMER in a user friendly platform in mobile phones, note pads and laptops.

The program is already active and running and all registered elibrary users with Remotexs user ID have been sent an activation email in their official JIPMER email addresses.

There will be a training program next week from 11th-16th of November 2019 and the exact venue will be communicated.

All eligible students and faculty of all the Departments are encouraged to make use of the mobile application platform and also to actively attend the training session.
