## **PAYMENT FAILURE CASES:**

When a payment fails while paying the application fees, there could be two cases

### **1. Your amount is not debited –**

In this case, you might receive a message from your bank that the payment could not be processed. You will also see the payment failure screen.

### **2. Your amount is debited –**

In this case, you can send an email to [jipmerfeljul2021@gmail.com](mailto:jipmerfeljul2021@gmail.com) and get to know the status of that payment.

### **Possible Reason(s) for Payment Failure:**

Bad internet connection, Authorization failure, Authentication failure – Wrong details entered, Delayed notification, Payment gateway failure etc.

Sometimes, a transaction fails on the receiver's side, but the payment gets debited from the user's account. In such cases, the amount gets automatically refunded by the bank within 10-15 working days. Most banks do not notify users in case of refunds, so be sure to check your bank statement to ensure that the refund has been credited.

**In the meantime, you can go ahead and make the payment again.**

In case it takes a long time for refund, do send us a message to the following email id and let us know. The status of the refund will be intimated.

Kindly mention the following details

**1. Application sequence No/User ID:** \_\_\_\_\_

**2. Name of the Candidate :** \_\_\_\_\_
