

Ph.D. Scholars from Department of Physiology won 1st prize in oral presentation

Ms. Allampalli Sirisha, Ph.D. Scholar, Department of Physiology has been awarded 1st prize in oral presentation during the 40th Annual Conference of Indian Association of Biomedical Scientists (IABMS 2019), organized by Department of Physiology, Chettinad Hospitals and Research Institute, Chennai, held on 1st and 2nd November 2019 under the theme of 'Healing from nature-exploring the new horizons in traditional and complementary Medicine' for the topic entitled, “ **Improvement in peripheral neural function in diabetic neuropathy patients is linked to decreased levels of oxidative stress following honey treatment for three months**”. The work was done under the guidance of **Dr. G. S. Gaur**, Professor, Department of Physiology, **Dr. Pravati Pal**, Professor and Head, Dept. of Physiology, **Dr. Suryanarayana B. S.** Additional Professor, Dept. of Medicine and **Dr. Zachariah Bobby**, ^{Professor} Dept. of Biochemistry, JIPMER, Puducherry, India.

Mr. E Chiranjeevi Kumar, Ph.D. Scholar, Department of Physiology has been awarded 1st prize in oral presentation during the 40th Annual Conference of Indian Association of Biomedical Scientists (IABMS 2019), organized by Department of Physiology, Chettinad Hospitals and Research Institute, Chennai, held on 1st and 2nd November 2019 under the theme of 'Topics of research in biological sciences' for the topic entitled, “**Contrasting effects of chemerin and adiponectin contributes to insulin resistance in South-Indian population with metabolic syndrome and their association with baroreflex sensitivity and cardiac - autonomic functions**”. The work was done under the guidance of **Dr. G. S. Gaur**, Professor, Department of Physiology, **Dr. Y. Dhanalakshmi**, Associate Professor, Department of Physiology, **Dr. Jayaprakash Sahoo**, Associate Professor, Department of Endocrinology, **Dr. V. Balasubramanian**, Department of Biochemistry, JIPMER, Puducherry, India.
