Senior Research Fellow - 01 post – application invited

31.01.2023

Location	:	Department of Biochemistry	Placed on	:	31.01.2023
Salary	:	INR 40,600 including HRA (as per ICMR norms)	Closes	:	18.02.2023
Hours	:	Full Time	Job Ref	:	NO. ICMR /2022-23 Biochem. /JIPMER/Advt./SRF
Contract Type	:	Contract/Temporary (One year - likely to be extended beyond one more year based on the fellow performance or availability of funds)	The candidate must send both hard and soft copies of the application, which should reach on or before the closing date (18.02.2023).		

We are seeking a highly motivated and enthusiastic Research Fellow to join the ICMR funded project entitled “Role of micro RNAs in hepatocellular carcinoma”. A keen interest in gene regulation, standard biochemical and molecular biology and cell culture techniques, and animal model research are essential. S/he will have an excellent scientific track record, committed to a scientific career and will be keen to work in an interdisciplinary team. Strong analytical and problem-solving skills and scientific creativity are essential.

Essential Qualification: PhD in Life Sciences preferably in Biochemistry/Biotechnology. The candidate should have demonstrated aptitude in terms of publications in peer-reviewed journals.

You should have the upper age limit of 32 years as on the last date of application.

The date of Interview will be intimated to the selected candidates by e-mail. No separate letters will be sent. No TA/ DA will be given for attending the Interview. The final qualified candidate will have to make his/her own arrangements for accommodation.

The application format is attached separately. Soft copies of the application should be made to Dr. Balasubramaniyan Vairappan (balamaniyan@gmail.com). Both hard and soft copies of the application should reach on or before the closing date (18.02.2023).

Canvassing in any form will be a disqualification.
