

Registering for ClinicalKey Remote Access

Remote access allows you to easily access ClinicalKey when you're not on your institution's network. The instructions below outline how to activate remote access.

1. To activate remote access, click **Login** at the top of ClinicalKey.

If you have questions or require assistance, please contact our technical support team at usinfo@elsevier.com or 1-888-615-4500. You can also review the FAQs on the ClinicalKey Support page for more information.

2. From the Login page, click the **Apply Now** link.

Not registered? [Register now](#)

Log in via your institution

> [OpenAthens login](#)
If your institution uses the OpenAthens service, you may log in to ClinicalKey using your username and password for your institution.

> [Other institution login](#)
For services other than OpenAthens, log in to ClinicalKey using your username and password for your institution.

Remote access

Access ClinicalKey from outside of your institution's network by enabling remote access. This is strongly recommended for users of the ClinicalKey mobile app.

Apply for remote access

If your institution has Remote Access enabled, this feature will allow you to access ClinicalKey even when you are not on your institution's network.

To begin, please input your institutional email address below. Remote Access is not compatible with a Yahoo, Gmail, or other personal email account. If you do not have an email address associated with your institution, please contact your institution's administrator to obtain remote access.

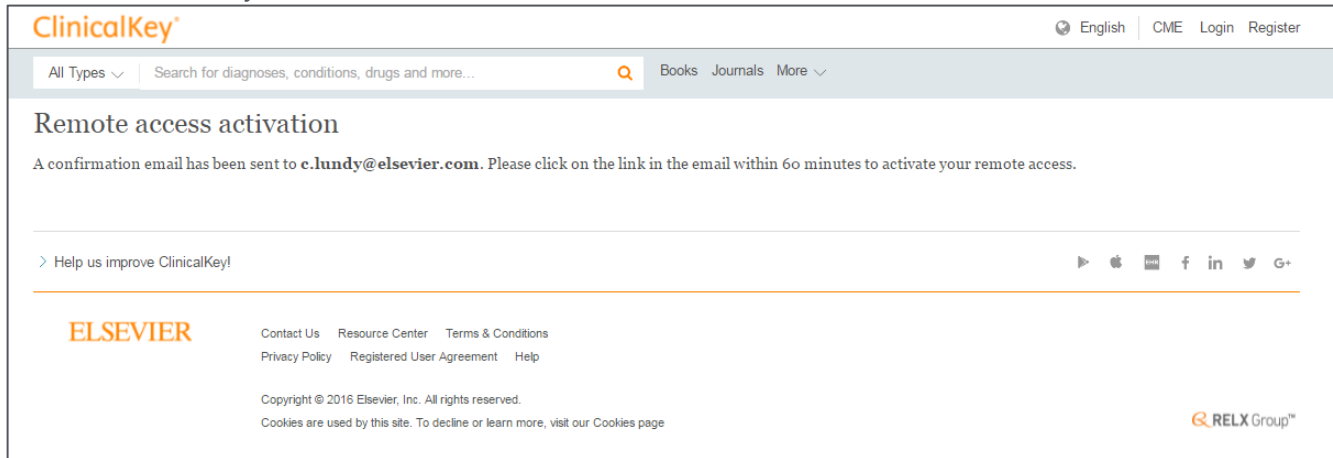

Email address

If you have questions or require assistance, please contact our technical support team at usinfo@elsevier.com or 1-888-615-4500. You can also review the FAQs on the ClinicalKey Support page for more information.

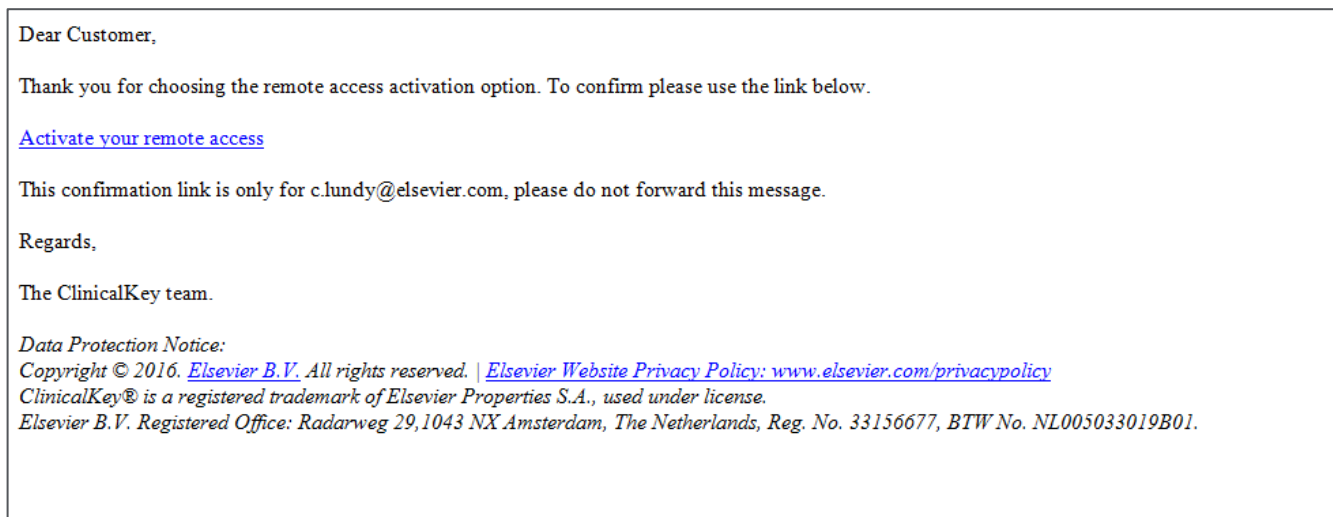

ELSEVIER

- Once you enter your email address, a message will display to look for an email from ClinicalKey that includes the remote access confirmation.

The screenshot shows the ClinicalKey website interface. At the top, there is a search bar with the text 'Search for diagnoses, conditions, drugs and more...' and a search icon. To the right of the search bar are links for 'Books', 'Journals', and 'More'. The main heading is 'Remote access activation'. Below this, a message states: 'A confirmation email has been sent to c.lundy@elsevier.com. Please click on the link in the email within 60 minutes to activate your remote access.' At the bottom of the page, there is a footer with the Elsevier logo, navigation links (Contact Us, Resource Center, Terms & Conditions, Privacy Policy, Registered User Agreement, Help), copyright information (Copyright © 2016 Elsevier, Inc. All rights reserved.), a cookie notice, and the RELX Group logo.

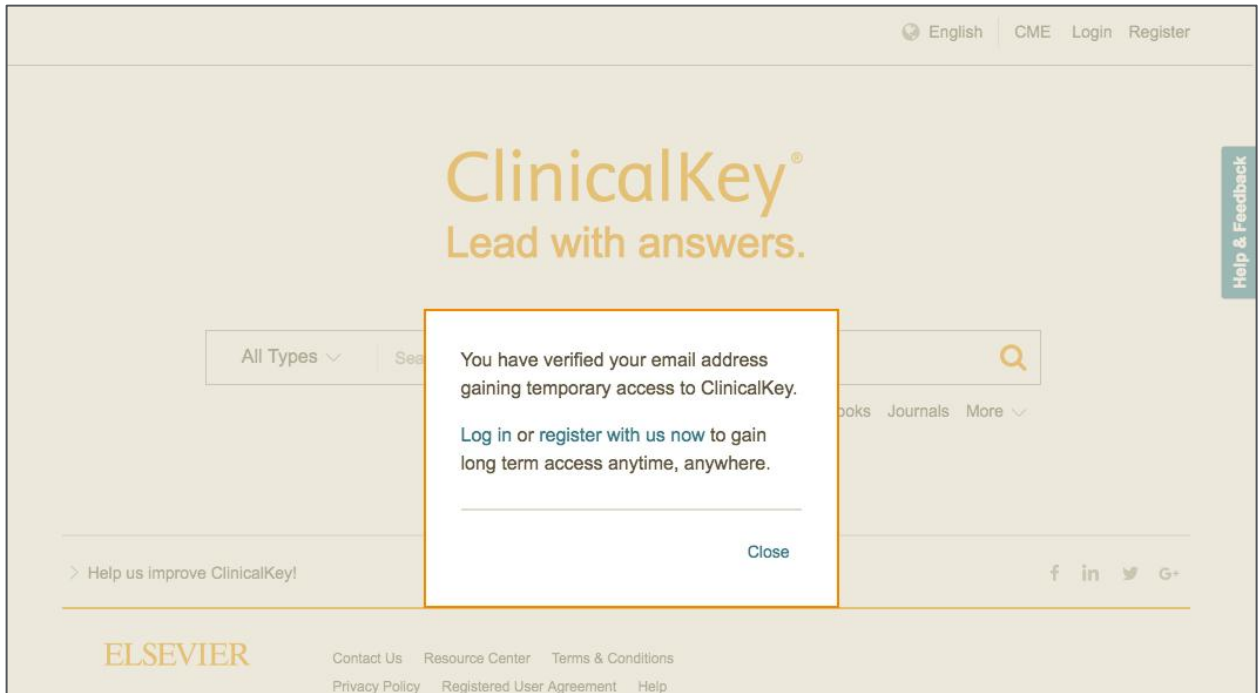

- When you receive the confirmation email, activate your remote access by clicking on the link available in the email.

The screenshot shows an email message. The text reads: 'Dear Customer, Thank you for choosing the remote access activation option. To confirm please use the link below. [Activate your remote access](#) This confirmation link is only for c.lundy@elsevier.com, please do not forward this message. Regards, The ClinicalKey team. Data Protection Notice: Copyright © 2016. Elsevier B.V. All rights reserved. | Elsevier Website Privacy Policy: www.elsevier.com/privacypolicy ClinicalKey® is a registered trademark of Elsevier Properties S.A., used under license.
