

SEWA PAKHWADA 2023

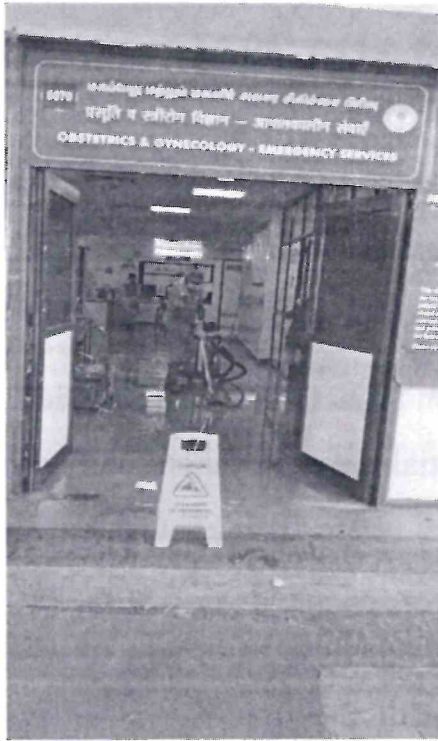

As per the communication received from the Ministry of Health and Family Welfare, JIPMER sanitary unit was organized Sewa Pakhwada 2023 from 17.09.2023 to 02.10.2023 under the Ayushman Bhava Programme.

During this period several special cleaning activities were carried out in and around the hospital blocks and residential areas. Banners conveying the observance of Sewa Pakhwada were displayed in the JIPMER Campus. Intense mechanized and manual cleaning was carried out in OTs, Wards and office premises. Clean corner activity was done in the office and labs. Condemned articles like old furniture and other unwanted materials were shifted to a condemnation store for auctioning and weeded out the old files and papers were segregated at the source level. Cardboard boxes, papers and paper carton boxes were collected from the source and disposed it for recycling. Source reduction activities and fogging for the control of adult mosquitoes were carried out in the campus. Unwanted plants were cleared from the surrounding areas of the hostel and hospital buildings by using brush cutter.
