Guidelines for using Skill Lab

- Faculty members desirous of booking the Skill Lab have to get prior permission (15 days in advance) from the Head of the Department of Medical Education by sending a request letter along with the filled in *proforma* which is available at JIPMER website/ office of Medical Education.
- Please confirm the status of functioning of all the manikins and other equipment with the technical assistant or with the technical supervisor of Department of Medical Education before using them.
- Do not use the Skill Lab in the absence of technical personnel of the department of Medical Education. The technical assistant and/or the technical supervisor will be available in the department for any technical assistance.
- Please ensure that the manikins are fully charged (wherever applicable) before using them.
- Manikins should be practiced only under the supervision of the faculty responsible for training.
- Manikins should be treated like real human beings and should not be misused under any circumstances.
- Please do not alter the arrangement or displace any items.
- As stains like ink and other chemicals can make permanent mark on the manikins, care should be taken to handle the manikins with clean hands.
- Tidiness of the Skill Lab should be ensured at all times.
- All the accessories of the respective manikins should be put in the respective place before leaving the Skill Lab.
- Serving of Tea, snacks and other eatables are strictly prohibited inside the Skill Lab.
- Working hours of the Skill Lab: 09.30 am to 12.30 pm and 02.15 pm to 04.00 pm between Monday and Friday except closed holidays.
- Permission will be given only for small group sessions.
- Please leave the lab in the condition you found it.
