Faculty / Teaching Staff who are leaving the Headquarters during the vacation should send intimation to this Office and also give their leave/vacation address in their letter for contacting them in case of need. In the case of Departments manned by single Officer, they should handover charge of the Department to the relieving Officer before proceeding on vacation.

The Faculty / Teaching Staff who are on duty are informed that they should avoid proceeding on any leave or attending conferences etc., as the Departments are run during this period with skeletal staff. They are required to obtain specific approval/permission from the Director before proceeding on any leave in case of any emergency.

Departure/rejoining report may be sent separately.
