

Workshop on Critical Care Nursing

As a part of Continuing Nursing Education, Department of Nursing Services organized a one day Workshop for all ICU Nurses in five batches on “**Critical care Nursing**” in collaboration with Department of Anesthesiology and critical care at SSB Conference Hall on 10/01/2024, 25/01/2024, 15/02/2024, 22/02/2024 & 07/03/2024. Around 415 ICU Nurses including Nursing Officers and Senior Nursing Officers attended this workshop. On 10/01/2024, the Programme was inaugurated by **Dr Pankaj Kundra, Professor** and **Mrs Sankareswari A, Chief Nursing Officer** in the presence of **Mrs Santhi Tamilmani, Nursing Superintendent**. Workshop started with one theory session on Recognizing a deteriorating patient by **Dr Anusha cherian, Professor**, Anaesthesiology and critical care, followed by hands on training sessions. Five workstations were arranged on **Assessment of patients in ICU (FASTHUGBIDS), Recognizing and stabilizing threatened airway, Oxygen therapy, Ventilator settings & troubleshooting and Care of Bio medical equipments**. Eminent resource persons from Department of Anesthesiology and critical care, Biomedical engineering division and Nursing department gave training to all the participants. All the nurses actively participated in workshop and given very positive feedback. Post workshop test was conducted and winners were awarded with certificates. Programme culminated with a valedictory function on 07/03/2024 in the presence of **Dr Dorairajan, Medical Superintendent, JIPMER** and **Dr Pankaj Kundra, Professor, Anaesthesiology**. Department of Nursing services convey sincere thanks to Dr Rakesh Aggarwal, Director JIPMER and Dr L N Dorairajan, Medical superintendent JIPMER, Dr Lenin, HOD Anesthesiology for permitting faculties and residents to be a resource person in this workshop. Our sincere thanks to Dr Pankaj Kudra, OIC Biomedical engineering division for permitting biomedical engineers as resource persons. Tamilnadu Nurses and Midwives council awarded **FIVE** credit hours for this workshop.
